The Lee Arts Center is a program of the Cultural Affairs Division of Arlington County. The Open Studio programs are designed specifically for individuals working at an advanced level in printmaking. The equipment and facility are made available to working artists who do not have the space or financial resources to establish their own studio. The printmaking studio is maintained through a cooperative effort of the Open Studio member artists. **No instruction is given.** Participants are expected to perform tasks essential to the operation of the studio as a whole and to responsibly use and maintain studio equipment.

I have read and understand the above statement:
